

Integrated Presentation Podium!

TecPodium W is a breakthrough audio-visual lectern. It has every multimedia capability built-in, and is managed through one simple control panel, suitable for classroom and training rooms.

The stylish wooden podium accommodates all the Audio-Visual equipment typically used in a presentation, with a locking door that keeps it safe and secure. Folding shelves on both sides of the podium allow for extension of the presenters working area when required.

TecPodium W is equipped with Tecom breakthrough control panel for seamless operation and easy switching between the different AV sources. Just a few keys, with icons that transcend language, are in place to control every AV device, sound and even house lights.

TecPodium W is a turn-key solution which is easy to install and use.

Tecom is a leading manufacturer of classroom multi-media podiums and AV lecterns and can accommodate your different needs of any room in your facility.

TecPodium W is an “out-of-the-box” solution, easy to install and use.

TecPodium Lecterns have been installed worldwide in some of the best schools and universities, colleges, corporate, military, civic training centers and are up and running for over 20 years while receiving great reviews from instructors and student’s alike for ease of use and remarkable durability.

Reliability, ease of use and effectiveness has made TecPodium a desirable presentation solution.
