

Presentation Solution the Way You Want It!

TecPodium Workstation offers an integrated multimedia console, suitable for classroom and training rooms, that carries a cost-effective price.

Compact cabinet structure accommodates all the Audio-Visual equipment typically used in a presentation, with a locking door that keeps it safe and secure.

TecPodium Workstation could be easily mounted beneath a teacher desk in a classroom, a corporate boardroom table, within a wooden podium, on a mobile cart and could even be wall mounted - available in both **Podium** and **Desktop** styles.

TecPodium Workstation is equipped with TecPodium breakthrough control panel for seamless operation and easy switching between the different AV sources. Just a few keys, with icons that transcend language, are in place to control every AV device, sound and even house lights.

Tecom is a leading manufacturer of classroom multi-media podiums and AV lecterns and can accommodate your different needs of any room in your facility.

TecPodium WorkStation is an “out-of-the-box” solution, easy to install and use.

TecPodium Lecterns have been installed worldwide in some of the best schools and universities, colleges, corporate, military, civic training centers and are up and running for over 20 years while receiving great reviews from instructors and student’s alike for ease of use and remarkable durability.

Reliability, ease of use and effectiveness has made TecPodium a desirable presentation solution.
